2018

# Otto Senior Technology Studies Scholarship 2018

Through the generous support of the Otto family, Concordia College offers a Senior Technology Studies Scholarship for a new or current student in Year 11 or 12 who displays outstanding characteristics in a Technology Studies subject such as Design Technology, Media Studies, Information Technology or Food & Hospitality. The successful applicant will be a student who has displayed genuine interest and ability in a Technology subject but also demonstrates qualities of involvement, leadership and commitment within their school and/or wider community.

This scholarship provides partial remission of tuition fees (at the discretion of the Principal) and will be offered for the duration of the student's senior schooling at Concordia for a maximum of two years, until the completion of Year 12. Continuation of the scholarship is subject to regular review, with the recipient making good progress in the subject, contributing to the College in a variety of ways and displaying conduct of a high standard.

## Criteria for Award

- > Consistent performance and involvement in a Technology subject.
- > A demonstrated ability in the chosen technology.
- > Positive contribution and/or leadership roles within their current school and/or wider community.
- > Outstanding personal qualities.
- > The student will be financially deserving.
- > The student will not be in receipt of any other financial support from Concordia College.

## Application Procedure

Applications for this scholarship must be made by completing and returning the attached application form to Concordia College, 24 Winchester Street Highgate SA 5063, marked attention *Scholarship Committee* together with:

- > A copy of your latest school report
- > A written statement of approximately 500 words from the student which outlines their past achievements in technology and how this scholarship to study a Technology subject will assist in their future career goals.
- > Supporting evidence of interest, skills and ability in Technology subjects which may include:
  - current school reports
  - copies of any academic or technology certificates of achievement
  - photographs or samples of work from accomplishments in a Technology subject
  - photographs or samples of a completed project from either home or school
  - references from school Principal, teacher, coach or mentor.
- > The student may be required to attend an interview with the Principal.

All details will remain confidential to the members of the College Scholarship Committee.

**Applications close at 4 pm on Friday 3 February 2017**

## Further Information

For information or assistance please contact the Enrolment Manager on 08 8272 0444.

## Results
