Term 2

It has been a positive start to Term 2. The students have settled back into the routines quickly and are certainly refreshed after the holidays.

Staff Update: Michael Paech is continuing his Long Service Leave but will return to school on Monday 14 May. It will be great to have Michael back and we are looking forward to seeing him revitalised from his leave.

Miss Jessie Thiele has been appointed to Year 4 and will replace Mrs Caitlin Wilk from the beginning of Week 5 while Caitlin takes maternity leave. Mrs Nancy Wells has commenced her Long Service Leave and we welcome Mrs Meredith Phillips to the Art position this term. Miss Maddy Russell joined the Year 1 team toward the end of Term 1 and we are pleased that she will be continuing for the rest of the year as part of the Year 1 team sharing 1H with Mrs Rachel Harrip.

We are looking forward to tomorrow afternoon when we have our first Market Stall for this year. It will have a Mother's Day theme. There will be a buzz of excitement in the Courtyard as the children eagerly spend time choosing a gift for Mum or perhaps buying some goodies for themselves!

Sue Drogemuller

Acting Principal - St John's Campus

Quality Schools Surveys 2018

This year our College will be participating in surveys managed by Research Australia Development and Innovation Institute (RADII). The surveys are being conducted for the College by RADII under a contract with Lutheran Education Australia.

The data that is collected will be used by the College and Lutheran Education Australia to develop strategies and implement initiatives to improve the quality of education offered by Lutheran Colleges.

Concordia students in Years 5 to 12 will receive an invitation to participate through their College email address and may complete their surveys during class time. In addition, parents and staff are invited to participate in the survey which will be open from Monday, 11 June until Monday, 2 July 2018. We hope the parent survey will help us to find out how well the College is managing the wellbeing of its students.

Parents will receive an email from Dr Jean Thompson at RADII with an invitation to respond to the survey online.

All survey responses go directly to RADII and are not identifiable by the College, unless you wish to indicate that you want your feedback to be identified. All data will be stored securely and the anonymity of all participants is assured.

If you do not want to participate in the survey or you do not want your child to participate, please notify the College by Wednesday, 16 May 2018.

We encourage you to respond to the survey as this provides valuable feedback to inform decisions regarding College improvement at Concordia College. When the feedback from the survey is received we will share the findings with you.

Thank you for supporting the survey process.

St John's Campus Family BBQ

As Term 1 drew to a close, the St John's Campus community came together for its annual Family BBQ event on Sunday 8 April. As well as an opportunity to catch up over a delicious BBQ lunch, the bouncy castle, face painting and sporting activities on the oval provided lots of fun throughout the afternoon. A big thank you to the volunteers who helped the afternoon run so smoothly and to 'Jack and the Metronome', a talented band of Concordia Campus students who provided some live music which certainly added to the atmosphere.

Sally Carr and Tanya Harris

P&F News

Wednesday P&F Lunch Orders for the St John's Campus

Wednesday lunch orders are back for Terms 2 and 3 at St John's Campus!

Please note that lunch orders can only be placed via the Qkr! app. The Qkr! app provides a fast, convenient and secure way for you to order your child's lunch without having to worry about writing down orders and searching for the correct money!

How to use Qkr!

1. **Download Qkr!** for iPhone or Android. iPad users will need to download the iPhone app.
2. **Register** - Select your Country of Residence as 'Australia' and follow the steps to register.
3. **Find our school** - Concordia College St John's Campus will appear in 'Nearby Locations' if you're within 10km of the school, or search for Concordia by name.
4. **Register your child** - When first accessing Concordia College St John's Campus on Qkr! you will be prompted to add a student profile for your child/ren. This allows you to make orders and payments for them.

The Qkr! app accepts most major credit and debit cards, and there are no fees payable by parents for use of the app.

Please note: Lunch orders must be submitted **before 9am on Wednesday morning** and can be pre-ordered in advance! Lunch orders can be cancelled directly on the app as long as this is done **prior to 9am** on Wednesday.

Should you have any questions or issues with regard to downloading and operating Qkr!, please contact the Qkr! helpdesk on [1800 689 562](tel:1800689562) (and if they can't solve the issue straight away we will accept a manual order via the School Office before 9am in the meantime).

For past users who cannot recall their password, it is recommended you use the website (rather than the app) to [request a password reset](#).

We would love some volunteers to help us serve lunches. Please [click here](#) to view and add your name to the online roster:

Please also [download our new menu](#).

Thank you for your support.

Assessment Professional Learning

On the two days prior to the start of Term 2 (Monday and Tuesday last week) all teachers at St John's Campus were

involved in professional learning about Authentic Assessment. This involved engaging with the connection between assessment and student learning, various tools for assessment, using data from assessment to inform teaching and learning, providing feedback that will move students forward in their learning and ensuring that we are assessing knowledge, skills and understanding.

This professional learning has challenged us on many levels as a staff group. It is an exciting time as we reflect on the way that we have assessed students previously and continue to make improvements so we can cater to each student's individual needs and provide students with opportunities to have ownership over their learning. We are excited about engaging in this journey of reviewing assessment and look forward to continuing to work in partnership with students and parents as we move forwards in this area.

Alicia Puiatti

Acting PYP Coordinator

Charity Cup

This term at school there will be a Charity Cup held in the House teams. We are asking that students donate five cent coins to the container found in each class. These will be collected across the term and the House that raises the most money will be the winner of the Charity Cup. The donations will support the recent Papua New Guinea earthquake. There will only be five cent coins allowed. You are welcome to donate any other money as usual to the offering containers in your child's class. The Charity Cup will be held during this term only. Thank you for supporting this worthy cause and bringing in those five cent coins.

Daniel Keylock

Year 5 Teacher

School Photos

Class, Individual and Family Photos for all students in ELC to Year 6 will be taken on **Wednesday 30 May**. Order envelopes have been sent home with students today. All students will be photographed as a class group and must return their envelope - **even if not purchasing photos**. This allows photographers to easily identify each child. Completed order envelopes are to be returned on or before Photo Day by placing the form in your child's classroom communication box or returning directly to the School Office **before the day**. Students are to wear their full winter uniform on this day - no sports uniforms.

Family photo forms are available from the School Office and these photos will be scheduled for the end of the day.

Please note: For families with students attending both campuses, an opportunity for family photos will occur when Concordia Campus has its photo day on Thursday 9 August.

Entertainment Books

The St John's Campus P&F are raising funds and you can help! For only \$70 pick up a NEW 2018/2019 Entertainment

Book from the School Office or order the Entertainment Digital Membership and you will receive hundreds of valuable offers for everything you love to do, and you will also be supporting our fundraising. Grab one for Mother's Day!

LLL Update: Top 5 Tips to Teach Kids About Money

Do your kids understand money? I mean, really understand it?

Probably not; most of them don't. That's because we pay for things with a swipe or a tap, and often don't use actual cash. School banking rates may also be declining, because finding cash on the day can be inconvenient.

The risk we run by not teaching our kids about money, is that they'll can fall into the credit card trap when they turn 18, and begin their adult lives in a world of debt.

Here are 5 suggestions for teaching your children BASIC financial skills:

1. Get them into school banking. They learn so much from physically touching the money and participating in their own savings.
2. Teach them they need bread for sandwiches, but want chocolate for a treat. There's a difference.
3. Make them earn their own money by doing chores! It's old school, **but it works**.
4. Don't buy stuff for them all the time. They can buy it with their **own money**.
5. Google "[Three Jam Jars Kids Money](#)" – a great way for kids to visualise budgeting.

[For more information on basic financial literacy visit the ASIC moneysmart website.](#)

From the School Pastor

A full life, a full-on life, or a fulfilled life?

It is sad how busyness has almost become a badge of honour in today's society. Everyone seems to be cramming so much into their lives and wearing themselves so thin that we can sometimes feel compelled to keep up. After all, it might be a little embarrassing to admit that our lives aren't that busy when we hear the stories of other people running around trying to meet the commitments of their crowded schedule. 'What are you doing with your life?', they might ask.

Our spiritual theme for this term is *The Fullness of Life*, which is definitely not intended to encourage people to do more! For the fullness of life doesn't come so much from packing more things into our lives; rather the fullness of life comes from appreciating the many gifts and experiences we receive every day, whether we are busy or not.

For Christians (who, by the way, are often some of the busiest people I know), fullness of life begins with the knowledge that we are connected to God, the source of all life. He created this whole world with a purpose and gave us, as human beings, a unique position within his creation. We live life to the full when we recognise this connection we have with God and see ourselves as custodians of his beautiful planet and all it contains. As people made to be connected to others, we also gain the most out of our lives when we appreciate the gifts we receive from God in the many enriching relationships we have.

It's no surprise that wellbeing and mindfulness programs often focus on cultivating gratitude, for gratitude is a healthy antidote to anxiety, depression and a sense of urgency, things that are all so prevalent in the lives of many today. As people of faith, we can be grateful for the dignity we have as creatures made in God's image, for the blessings we receive from being connected to others, and also for the saving work of Jesus, who became one of us and brought us back into a right relationship with our heavenly Father, that we might have eternal life.

Instead of life simply being a meaningless accident, instead of it just being about survival, or even about earning status in the eyes of others, our trust in the Lord's purpose for this world gives our lives great meaning. Eternal life has started now and we can see each day as an opportunity to live this life to its full potential.

Jesus said, "I have come that they might have life, and have it to the full." John 10:10.

We look forward to exploring this theme even further throughout the term.

Dale Gosden
School Pastor

Quality Schools Surveys 2018

This year our College will be participating in surveys managed by Research Australia Development and Innovation Institute (RADII). The surveys are being conducted for the College by RADII under a contract with Lutheran Education Australia.

The data that is collected will be used by the College and Lutheran Education Australia to develop strategies and implement initiatives to improve the quality of education offered by Lutheran Colleges.

Concordia students in Years 5 to 12 will receive an invitation to participate through their College email address and may complete their surveys during class time. In addition, parents and staff are invited to participate in the survey which will be open from Monday, 11 June until Monday, 2 July 2018. We hope the parent survey will help us to find out how well the College is managing the wellbeing of its students.

Parents will receive an email from Dr Jean Thompson at RADII with an invitation to respond to the survey online.

All survey responses go directly to RADII and are not identifiable by the College, unless you wish to indicate that you want your feedback to be identified. All data will be stored securely and the anonymity of all participants is assured.

If you do not want to participate in the survey or you do not want your child to participate, please notify the College by Wednesday, 16 May 2018.

We encourage you to respond to the survey as this provides valuable feedback to inform decisions regarding College improvement at Concordia College. When the feedback from the survey is received we will share the findings with you.

Thank you for supporting the survey process.

Year 12 Formal

On Friday 13 April, the Year 12s celebrated the end of Term 1 with the annual Formal which was once again held at the Stamford Grand at Glenelg. It was great to see how much effort the students had gone to in dressing up for the occasion and making the most of the evening despite the inclement weather. Special thanks must go to the Action Leaders for all their efforts in organizing the event, to all the teachers who gave up their time to support the night, and to all the students for the manner in which they embraced what was a fantastic school event.

Clark Roberts-Thomson
Assistant Head of Senior School

Legally Blonde - The Musical

The College musical production of Legally Blonde was definitely a highlight of Term 1! It was an absolute pleasure to be involved in bringing this fast-paced, high energy and modern musical to life on the stage. We ventured back to the Hopgood Theatre at Noarlunga this year, which was a thrill for staff and students, and the amazing cast performed to enthusiastic audiences at each show.

The pit band consisted of 16 students and was led by the unflappable Ms Bronwyn Elsegood. With a score of over 400 pages, this show was very challenging for the musicians and singers. The sound created by the band was certainly professional and the catchy popular music was a hit with the cast and audiences alike.

A massive congratulations to the students involved whose incredible talent, commitment and enthusiasm were evident throughout the process. The experience created memories that will certainly remain with all involved for years to come.

Emma Williams

Director

Year 10s Host Year 5s for Coastal Management Lessons

At the Concordia Campus, we are always looking for avenues to connect our learning to the St John's Campus students 'across the oval'. On Tuesday of Week 2, the Year 5 cohort gathered in The Suaviter to engage in student-constructed lessons on issues surrounding Coastal Management. Year 10 Geography students were required to design an interactive lesson to share with the students and the results were spectacular! Congratulations to the Year 10 students for creating such imaginative activities to engage their students! Guests were also privileged to witness to a traditional cultural welcome dance by Ariranibwai, who chose the activity to introduce and highlight the impact of global warming on his homeland of Kiribati.

Vanessa Narino-Terry

English and Humanities Teacher

Year 8 'Paella & Platters' Parent Function

We are looking forward to welcoming parents of Year 8 students to a cocktail-style function with a 'Paella & Platters' theme on Friday 25 May from 7-10pm in The Suaviter.

Tickets are \$35 per person which includes dinner and drinks.

[Book online](#) today* or contact [Angela Warrick](#), Community Engagement & Events Officer on 8272 0444.

SAPSASA Update

Our Year 7 students were fantastic in Term 1 with their performances in the SAPSASA KO competitions and district carnivals.

Our Softball team was impressive in the first game, only going down by three to the very competitive Highgate Primary School team.

The Tennis boys had a convincing win over Norton Summit in Round 1 and unfortunately went down in a tight-fought contest with Linden Park.

The Cricket team defeated Stirling East in Round 1. Round 2 was against Eastern Fleurieu and after a strong start to make 102 runs off 25 overs they unfortunately were defeated by one run in the second to last over.

Our Year 4-7 Swimming team came 3rd overall at the District swim meet and we have five students selected for the State Day Swim Carnival.

Congratulations to the following Year 7 students who have been selected in the Adelaide South East District teams to compete in the State Championships throughout Semester 1.

SOFTBALL (completed in Week 6, Term 1)

- Hayley 7KWA

SWIMMING (completed in Week 7, Term 1)

- Louisa 7MGA
- Lachlan 7RHO
- Sam 7KWA

NETBALL (to be held in Week 5, Term 2 from 28 May to 1 June at Priceline Stadium)

Boys Crows Cup

On Monday 9 April, 21 excited Year 5 and 6 boys took to the football field for their annual Crows Cup Competition. The boys did extremely well with the warm weather conditions, finishing 3rd and 5th. They should all be proud of themselves for both their sportsmanship and football skills. A special thanks to all the parents and grandparents who came for part of the day or the whole day. It was great to have you there supporting and cheering on the students. We are now looking forward to next year's Crows Cup!

Nicole Fielke and Jo Peasgood

Anzac Day Women's Mini League Half-time Game

On Anzac Day, it was great to have six girls from St John's Campus enjoying an opportunity to play in the half-time match during the Women's Mini League Grand Final. The girls played hard, cheered well and had loads of fun. It was such a wonderful experience for them all, which I'm sure they will remember for a very long time. It is always great to see students out and about in the community letting their sporting talents and abilities shine.

Nicole Fielke

PE Teacher and Sports Coordinator

Loxton Pedal Prix 6-Hour Race

On Sunday 6 May, the College Pedal Prix team travelled to the riverside township of Loxton for the first time to compete in

the 6-hour event on a very technical street circuit. A smaller team of 40 students competed in four trikes across the day and all participated with a high level of enthusiasm and care throughout the meet. Our Category 3 trike *Harmony* had an exceptional race, reaching 2nd place at the 4-hour mark, but unfortunately a flat tyre resulted in the team losing a couple of laps and pushing them out of a podium position. For other teams, students experienced their first race and did an exceptional job to handle the technical track conditions with little riding experience. All teams only experienced minor mechanical and body repair issues, resulting in some excellent results for the first race of the year, including three top 10 results in their respective categories.

A big thank you to Amy Martin and Jason Kupke for attending the race to help manage teams, and to parents who assisted in several roles over the weekend as well as in preparation for the race. The team now continues to train in preparation for the next 6-hour race in Adelaide on Sunday 17 June.

Results

Harmony (Category 3): 4th - 134 Laps

Concorde (Category 2): 8th - 124 Laps

Matrix (Category 2): 9th - 118 Laps

Shockwave (Category 2): 13th - 108 Laps

Matthew Smart

Pedal Prix Coordinator

St John's Campus Sports Results

Term 1

Basketball

Concordia Celtics defeated Mitcham Crew: 23 - 12.

Concordia Crystals defeated Burnside Primary in the finals and finished third for the season.

Term 2

Basketball

Thursday 3 May

Concordia Cavaliers drew with Rose Park Rays: 19 - 19. An amazing effort by our Year 3/4 team against a team of Year 5s.

Concordia Champions defeated by Burnside Lions: 4 - 16.

Concordia Cannons defeated Mercedes Dedication: 30 - 4.

Jazz Under the Stars

On 11 April (the last Thursday of Term 1), all ensembles involved in Generations in Jazz this year (four Big Bands, three Jazz Choirs and two small Jazz Combos) presented a wonderful evening of their music in the Concordia Campus Quadrangle. Our first “Jazz Under the Stars” was a great opportunity for these groups to present some of their jazz program to a very large audience made up of family and friends prior to their performance at Generations. In addition, special guests, the Adelaide University Big Band performed an inspiring set of jazz music as an excellent example of what is musically possible at a tertiary level. As well as being highly entertaining, this was another fantastic community building opportunity, and one which was very much valued by all who attended.

Mat Noble

Director of Music

Generations in Jazz 2018

Having worked extremely hard on their band and choir programs since December last year, on Thursday 3 May 86 Concordia students and 10 staff journeyed to Mt Gambier for the annual Generations in Jazz festival. Attended by more than 5000 other students and staff, this is an event which offers participants opportunities to perform, as well as be inspired by listening to peer group bands and choirs and internationally recognised musicians such as James Morrison, Ross Irwin, Jeff Clayton, Pattie Austin and crowd favourite The Cat Empire! All bands and choirs performed to a higher level than they have previously, and again represented our College in the public domain with distinction. Whilst the competition results are less important than the experience gained by the students, the following results were achieved this year:

- Big Band 1 – 3rd place, Division 2
- Big Band 2 – 7th place, Division 3
- Big Band 3 – 12th place, Division 4+
- Jazz Collective – 5th place, Division 5
- Jazz Choir 1 – 4th place, Division 2
- Jazz Choir 2 – 20th place (out of 51 choirs), Division 3
- Jazz Choir 3 – 11th place, Division 4
- JQ – 17th place, Small Combo division
- In-Sync – 5th place, Small Combo division

Essential to mention is that **Ethan 10NMC** was picked as a participant in the Division 2 “Superband”. Members of this band

are determined by the adjudicators to be the best players in this division – a huge accolade. Additionally, **Lily 11RGO** was chosen as the most promising vocalist in Division 2, receiving the Ron Evans award – another exceptional effort.

Overall, Concordia should be extremely proud of all involved.

Mat Noble

Director of Music

Friends of Music Raffle

Congratulations to the following winners of this year's Friends of Music raffle:

1. Rebecca Hyams
2. Mary Evans
3. Ann Phillips
4. Mr Williams

The Salvation Army Red Shield Appeal

Students and staff at the Concordia Campus have been involved in supporting The Salvation Army's Red Shield Appeal fundraising efforts for a number of years. The Salvation Army is again calling for volunteers to support this worthy cause which raises money to assist those in need. If you're interested in getting involved this year, please see the information below.
