Year 5 Student-Led Conferences

On Tuesday morning, the Year 5 students and parents came together to take part in one of the reporting opportunities at St John's Campus, the Student-Led Conference.

Student-Led Conferences are a unique opportunity for the children to lead the reporting process. Throughout the process the students show a greater responsibility for their own learning and demonstrate their ability to communicate their own learning. The skills developed while preparing and conducting the conference are trans-disciplinary and useful for many different areas of life.

Throughout the journey, the students are:

- engaging in the process of self-evaluation
- demonstrating the qualities of the IB Learner Profile
- developing organisational skills
- developing greater self-confidence
- involved in the selection of work to show parents and to identify points of strength as well as areas for further development

What a fabulous set of skills and processes they are refining!

Rachel Muldoon

PYP Coordinator

ELC and Reception Grandparents and Special Friends' Morning

Grandparents and special friends of the ELC and Reception children were warmly welcomed at a visit to St John's Campus on Friday, 7 June. The visitors enjoyed a range of musical performances in the hall before moving to classrooms to interact with the children. There was great excitement and a buzz of activity as the children shared their learning and engaged in

favourite play experiences. A delicious morning tea completed the visit.

Kate Wood
ELC Director

Annual Appeal Update

We really appreciate your support of the Concordia College [Annual Appeal](#). Each year your tax-deductible donations provide Scholarships and equipment, and help to finance projects to benefit our students.

St John's Campus 'Fiesta' Parent Event

We are really looking forward to this year's Fiesta-themed St John's Campus parent event on **Saturday 24 August** from 7-10pm in the Hall.

These are always standout events on the St John's Campus community calendar and it is sure to be a great night of fun, food and entertainment. Enjoy pre-dinner platters, a Paella Bar cooked on site, delicious hot churros, live entertainment by dance band Silverhair, and a Latin dance floor show. Bar facilities available (no BYO).

Tickets are \$40 each and [bookings can be made online](#).

If you're keen to get into the spirit of the occasion, feel free to dress up in your finest fiesta fashions!

Come and join the fun, we hope you see you there!

Freestyle Dance Ministry

Last week we were fortunate to have a youth ministry group from Melbourne called Freestyle Dance Ministry come to visit us at the St John's Campus.

The Year 1s through to Year 6s each had an opportunity to participate in a workshop. Workshop leaders Justin and Dan are inspired by their passion for freestyle dance and their love of God. They shared with the students how they use their dancing as a form of worship, praise, and to connect with God in prayer.

These workshops were filled with exciting music, high energy levels and a lot of fun! The students had the opportunity to learn some cool new dance moves as well as some free dance to show off their own moves, before finishing off with Justin and Dan sharing their own faith testimony.

Paula Meyer

Spiritual Life Coordinator

St John's Lutheran Church Little Lambs Music

St John's Lutheran Church has an exciting musical preschool ministry called Little Lambs Music which is held every Monday morning from 10 – 11:30am in the St John's Ministry Centre during term time. We would like to invite any parents or carers of babies through to kindy aged children to join us for this, experiencing a special time with your child as well as having the opportunity to connect with other parents/carers.

Come and join our passionate ministry leaders Meagan and Janet alongside many other Little Lambs families for a 45-minute session where there will be singing, movement and dancing, playing of instruments and hearing stories and rhymes. The session time ends with a fruit time for the children and a morning tea for parents.

We would love to have you join us with your little ones.

Paula Meyer

Spiritual Life Coordinator

School Buses on the Last Day of Term 2

St John's Campus Office will be contacting families that are regular users of a College bus on Fridays. On the last day of term, the Concordia Campus finishes at an earlier time and the buses will leave from Cheltenham Street at 1.10pm and Duthy Street at 1.15pm. The School Office must be notified if your child will be catching the bus on Friday 28 June.

Student Absentees - SMS Numbers for each Campus

Please be reminded that the following numbers are used for each campus for SMS notification of student absences:

- St John's Campus (ELC to Year 6) – 0418 126 932
- Concordia Campus (Years 7 to 12) – 0419 467 821

Feet on the ground, eyes on the horizon

As we come to the end of another busy yet highly successful term, I would like to take the opportunity to highlight some of the ongoing planning which has been progressing in the background. This planning refers to our College Strategic Plan and Master Plan which are both a work in progress but nearing completion.

Our Strategic Plan has been a work in progress since September last year, and while the basis of the plan was mapped through initial planning days, with the rate of change in government policy at a Federal level, and other external factors, it was felt we needed to gain further clarity about several issues affecting the College before confirming our strategic directions.

Regardless of these external factors, two areas which will certainly form the centrepiece of the plan will be our Vision for Learning and emerging Wellbeing Framework. Both of these areas are clearly linked, and both informed by university partnerships. Our Vision for Learning is underpinned by our project with the University of Melbourne on mapping and measuring the future skill sets students will need to flourish in the workplace, and our wellbeing project is focused on developing a wellbeing framework and tailored programs in collaboration with researchers from Flinders University.

The Vision for Learning will also influence our Master Planning process, as the learning spaces envisioned must align with our evolving pedagogical approach. The idea that students must be seated at desks working in rows is quickly becoming archaic. Technology and collaborative work environments are changing the design of learning spaces. There is no doubt that our emerging learning agenda with its emphasis on rigour, creativity and cross-discipline project-based learning, will translate into [improved learning spaces](#) and influence future architectural design across the College. The hope is that a new definition of student success might include a broader scope of learning that will in turn change physical spaces to foster increased student engagement and encourage ingenuity.

In terms of the status of the planning, the draft Strategic Plan is in the late stages of development with the intent of

socialising the plan with the College community next term. The accompanying Master Plan process is nearing the end of the community consultation and priorities will be confirmed once the Strategic directions are set.

As we approach this change agenda we are taking a 'feet on the ground, eyes on the horizon' type of philosophy. No matter how much our approaches to learning may change, the purpose which drives our unique and holistic approach to education is clear. This purpose is summed up in a statement recently developed by the College Board to ensure the College remains 'grounded':

Concordia College aspires to be

Passionate about providing a comprehensive and sound education that engages individuals to meet their needs

within

a diverse community where inclusive relationships are developed and individuals accepted

by

providing a place of peace so people are able to feel safe and secure and forgiveness is offered for mistakes made

where

individuals are supported and cared for in a pastoral manner

and

humility in service to others is encouraged

Have a wonderful term break!

Paul Weinert

Principal - Concordia Campus

Senior Vocal Cabaret

The Fullarton Community Centre Function Room was again alive with the sound of high quality music on Friday, 7 June, as the venue for this year's Senior Vocal Cabaret.

Attended by more than 150 guests and performers, this special event gives our senior vocalists an opportunity to showcase their singing talents in a professional environment, and in front of a supportive audience of family and friends.

It was another delightful evening of music making, but one which could only occur as a result of much work behind the scenes. Special thanks to the team of volunteers who, led by Jenni Watkins, assisted in setting up and packing up, and running the evening in such a professional manner. Thanks also to Simon Kuchel for his outstanding work on lights and sound, and to the wonderful vocal teachers who supported their students in preparing them so well for their performance.

Finally, congratulations to Low Key (Jazz Trio) who entertained us during the breaks, and to the vocalists who performed on the evening, whose confidence and musicianship were joy to witness.

Mat Noble

Director of Music

Annual Appeal Update

Ensemble Day Camps

Each year Concordia's major ensembles take a day out of school to attend important workshops which are designed to assist in preparation for significant concerts.

In Term 1, the Big Bands had their opportunity, so this term the Concert Band, Wind Ensemble, String Ensemble and Chamber Strings made their way to Nunyara in Belair on 3 and 4 June respectively, to each spend a full day rehearsing in a focused, team-building environment. It's true to say that each ensemble managed to achieve as much in one day as they would have in four or five weeks worth of rehearsals.

Special thanks to all the directors and support staff involved with these ensembles. Their hard work and dedication ensures our students gain significant benefit from their expertise.

We look forward to seeing the fruits of their labour at events such as the ABODA Festival, Concordia in Concert, the Valedictory Service and the Carols Service.

Mat Noble

Director of Music

Senior School Update

As Term 2 rolls to a close, the Senior School has been full steam ahead.

Amidst an armada of assignments, Year 11 SACE students have had a week of mid-year examinations, followed by a First Aid Training day attended by 54 SACE and IBDP students. Year 11 IBDP students have 'Core Week' next week, with sessions on each of the Core components of Theory of Knowledge, Creativity Activity Service, and Extended Essay.

At a Year 11 and 12 Assembly recently, we heard about the opportunity for students to join Antipodeans for a Schoolies with a difference – Schoolies Unearthed. Travel to Borneo, Nepal, Vanuatu or Vietnam for a couple of weeks volunteering with locals. At the risk of disrupting Year 12s from their intensive study regimes, this is well worth investigating, and offers some great places to travel to!

On Wednesday 19 June, Year 10 students and parents attended the Subject and Careers Information Evening. Along with information about the various pathway options offered at Concordia College (SACE, VET, IB Diploma), we heard from a number of current and former students about their experiences of study: why did they choose a particular pathway, the impact on their learning post-school, as well as advantages and disadvantages of particular options. Many thanks to Will

Coren, Harrison Warrick, Sam Czabayski (all 2017 graduates), Ella and Ian (current Year 12s), and Mr Roberts-Thomson (DP graduate 'a long time ago'). Following on from this, Mr Gogel (Careers/VET Coordinator) organised speakers from 18 different industries, including Business, Education, Health, Information Technology, Multimedia and Music.

One of the questions I was asked most was about studying Language in the IB Diploma. While students studying the Diploma are required to study a language, I suggest that this is seen as an opportunity rather than an imposition. As the world becomes more globalised, Australia's famous 'tyranny of distance' is no longer such an isolating factor. In the Diploma, students may study an ab initio language – 'from the beginning' – and no prior knowledge of the language is required. We offer French ab initio on site, or facilitate other options through the School of Languages.

We are pleased to be able to offer an IB Diploma Scholarship for a student entering Year 11 in 2020. This offers a 25% fee reduction for the two years of the programme. For those unsure of their future direction, the IB Diploma gives students the broad range of subjects and skills to keep open as many options as possible. There are also scholarships for new Year 11 students who start next year, so you might pass these details on to any friends who are considering a move to Concordia. Full details are on the College's [website](#), or please [contact me](#) for details about the Diploma or [Linda Theel](#) (Enrolments Manager) about the scholarships.

I wish all Concordia families a safe and restful holiday.

Brendan Toohey

IB Diploma Coordinator

AdYO Concert attended by Concordia's Chamber Strings

On Friday 31 May, members of our Chamber Strings attended a very special concert at Elder Hall (Adelaide University). The Adelaide Youth Orchestra presented a wonderful interactive concert based on Beethoven's 5th Symphony. Not only did we have students in the audience, there were representatives from Concordia, both past and present, on the stage - Haneulle (Year 10), Lewis (Year 11) and Jude (Year 6) as well as Thomas Phillips (2018 graduate).

Mat Noble

Director of Music

Young Women in STEM Experience

On Wednesday 5 June, eight Year 10 girls went to the University of Adelaide for the Young Women in STEM experience. The day was divided into four sessions where we learnt about different careers through interactive activities. The activities included:

- electrical engineering - building speakers out of paper plates
- civil and structural engineering - constructing earthquake-proof towers
- improving model cars, and
- learning more about physics.

A highlight of the day was watching flames 'dance' to music after learning about sound waves. Overall, it was a good experience which opened our eyes to new opportunities.

Emma 10JLEY and Laura 10JLEY

German Language and Cultural Immersion

During recent weeks, many Concordia College German students have had the opportunity to participate in a range of German cultural and language immersion opportunities.

The Year 7 German students attended a schools screening of “Liliane Süsewind” (Little Miss Dolittle) as part of the annual German Film Festival at the Palace Nova, and the Year 12 IB German students attended a screening of the thought-provoking but amusing recent German comedy “Der Vorname”. As authentic German films, these screenings gave the students the opportunity to hear a range of German accents and colloquial language, as well as providing them with a snapshot of contemporary German culture and lifestyle.

The Year 12 SACE and IB students took part in a half-day German immersion programme on Sunday, 26 May. In small groups, the students took responsibility for preparing a typical German dish, and we all then enjoyed a German lunch featuring both savoury and sweet delicacies. Everything was delicious and the home-baked Brezeln (pretzels) were particularly impressive. German was spoken throughout the day.

The Year 12 SACE and IB students also visited the Art Gallery on Thursday of Week 7, where they were given a tour in German. The tour featured a range of artworks created by German artists. A number of the works of art also showcased German contributions to Australian history. The tour was highly informative and an excellent opportunity to practise speaking and listening to German outside of the school environment.

Judy Harris

German Teacher

Employment Vacancy 2019

Aboriginal Advisor & Mentor ELC – 12

The position of Aboriginal Advisor & Mentor ELC - 12 is available to commence Semester 2 2019.

The position is part-time, fixed-term, one-semester tenure. The equivalent of 6 hours per fortnight. Two hours per week at set times and two hours per fortnight as agreed in advance during term weeks

The Aboriginal Advisor and Mentor will assist aboriginal students to successfully participate in school and will identify, implement, and manage relevant opportunities for aboriginal students and the College.

Applications for this position are invited from suitably qualified and experienced people.

Application Process

The Position Description and Duty Statement can be found on the College website.

Applications marked “Confidential” and addressed to the Principals, via Mr Paul Weinert, must reach the Assistant to the Director of Staff, Olivia Scroop by **10.00am, Friday 19 July 2019**.

Further inquiries about the position can be directed to the Director of Staff or Head of Senior School.

Vera White

Director of Staff

Concordia Campus

Inter-school Chess

The Concordia College inter-school chess team has continued to perform strongly in the Division 3 competition, with the students winning 11 of the 16 games played during the last two rounds. The students are to be commended on their exemplary sportsmanship: establishing a comfortable rapport with their opponents, offering helpful tips to less-experienced players and always being willing to engage in “friendly matches” against students from other schools who find themselves without an opponent. We are now halfway through the inter-school chess season and we are looking forward to the challenge of our remaining games.

Judy Harris

Inter-school Chess Team Coordinator

From the Archives: The Georg Memorial Library

This week we take a look back at the first of Concordia's buildings to be named after a former teacher, the Georg Memorial Library, which was opened in 1970.

Team Sailing

Concordia has participated in team sailing for the past six years. The sailors, drawn from Years 7 to 12, train at Brighton and Seacliff Yacht Club on Tuesday evenings during Terms 4 and 1. Concordia has entered two teams in state-based regattas that are held primarily during Term 1, culminating at the State Championships held during the last school holidays.

Both Concordia teams performed well with the Concordia A team taking out second place and receiving an automatic entry to the Nationals which were recently held in Hobart. The students represented the College extremely well and competed strongly despite the lack of wind which made for less than ideal racing conditions. Despite the sailing conditions, it was an enjoyable trip and a great experience for all involved!

Team sailing pits three boats from one team against three from another around a very short course. Races take approximately 8 to 10 minutes with the team with the lowest score winning the race. It's very tactical, with team members working together to manoeuvre their team into the best combinations. It's a challenging sport that combines sailing skill, tactical awareness and a strong team spirit.

Team sailing is among the few sports where all age groups and sexes can compete alongside each other. Older students or those with more sailing experience are actively involved in mentoring newer sailors to develop their skills. Regattas regularly see 24 plus teams competing and in excess of 100 races completed in a day. The boats don't stop, teams hop in an out as their schedule requires.

Training for next season is scheduled to commence on the first Tuesday of Term 4. It is hoped that Concordia will field three teams for the season and an information session will be held during Term 3.

Jon Ward

Parent/Team Sailing Coordinator

Pedal Prix Victoria Park 6-Hour Race

On Sunday, 16 June, 48 students from Years 7 to 12 competed in the six-hour Pedal Prix race at Victoria Park. The weather was terrific, allowing all four teams to record some very fast lap times throughout the day. Teams had improved on their racing craft and changeover times leading up to the race by competing many hours of training at the track in very poor and wet conditions. This hard work resulted in minimal time off the track, leading to some excellent results.

Harmony, our Senior School bike, finished in 3rd position in the Senior School category by slowly chasing down Pembroke in an epic final hour while team Concorde finished in 4th position after recovering from an early blow out. Team Matrix had an excellent start to the race, sitting in the top five of the Middle School category three hours into the race with excellent pace, but a broken chain led to losing multiple positions while our pit team repaired the bike. Team Shockwave had multiple new riders, who all worked well as a team to record some consistent lap times throughout the day.

Team	Position	Category	Laps
Harmony	3 rd / 36	S3	177
Concorde	4 th /61	S2	163
Matrix	15 th / 61	S2	145
Shockwave	33 rd / 61	S2	127

Thank you to our wonderful sponsors for their continued support this year, and to all the parents and staff for their assistance on the day and during the lead up to the race. The team are now working towards the next race on 28 July in Adelaide.

The School Shop will be closed during the holiday period and re-open for last minute purchases on Monday, 22 July.

Holiday Opening Hours

- Monday 22 July: 9.00am – 3.00pm
- Tuesday 23 July: Closed – Start of Term 3
- Wednesday 24 July: 12:30pm – 4.00pm (normal hours resume)

Second hand uniforms - If you have items to sell, please ensure garments are washed, pressed and in good condition. Blazers, skirts and pinafores must be dry cleaned. Shop staff are happy to check suitability for sale.

Any uniform items in need of repair eg broken zips, seams unstitched, missing buttons etc, must be repaired prior to acceptance for sale. Uniforms delivered not suitable for sale will be considered donated.

Buttons are sold in The School Shop.

Old Logo – Uniforms with the old school logo are no longer saleable in The School Shop but can be dropped in for donation.

The School Shop staff can be contacted on the direct telephone line during opening hours –**8291 9302**.

Spray Jackets \$33 - Available now for wet weather. May be worn to and from school and at sporting events.

Umbrellas – In stock now. Large golf size \$30ea. Small fold-up style \$22ea.

Public Notices & Events

- Pelican Productions is running six Broadway musical themed workshops for students aged 8 to 15 years old in the upcoming school holidays from **Monday 8 to Wednesday 10 July**. [Click for more information and booking details](#).
