From the St John's Campus Principal

Siassi Partnership

The St John's Campus of Concordia College enjoys a partnership with a group of schools on the Siassi Islands of Papua New Guinea. Over the past eight years, the partnership has grown and strengthened, with a particular focus upon supporting teachers in the development of English language skills for themselves and their students. Many challenges exist and sometimes threaten the continuation of the partnership, but we are convinced that we have been called as a school community to be in relationship with the people of Siassi, to offer love, support and professional development.

In 2018 we rewrote our Vision Statement for our partnership which states that:

The partnership between Siassi Schools and Concordia College, St John's Campus, which operates under the umbrella partnership between the Evangelical Lutheran Church - Papua New Guinea and the Lutheran Church Australia, is founded on the sharing of Christian faith and will encourage and support both parties in:

- *developing the spiritual growth of staff and students;*
- *sharing God's gifts;*
- *the professional growth of staff;*
- *achieving high standards of teaching, learning and leadership;*
- *promoting intercultural understanding and respect; and*
- *continuing the development of long-term relationships between our communities.*

In 2019 we are planning for another visit to Siassi to further progress our vision for the partnership. At a recent partnership team meeting the decision was made to direct some of our Siassi partnership funds to the redevelopment of accommodation facilities on the main Siassi Island that will support the partnership. These facilities will be used by our staff who travel to the islands as well as by local Siassi people.

We are looking forward to our trip next year and ask that our community pray for our planning processes over the coming

months.

Staff Update

At the end of this week Mrs Julie Kummerow will conclude a six-week teaching block in the Year 3R classroom, while Mrs Ruggiero has been on leave. We sincerely thank Julie for her care of and commitment to our students over the past six weeks. Mrs Ruggiero will return to teaching her class next week.

I would also like to extend our congratulations to Mrs Alicia Puiatti (2DP) and her husband Jason who have announced that they are expecting the arrival of their second child early next year. Alicia will be on Maternity Leave for 2019, planning to return to teaching in 2020.

We wish Alicia and Jason God's blessing over the coming months as they prepare for this new addition to their family.

I also need to announce that Mr Gary Robertson (Learning Support) has announced that he will be retiring from teaching at the end of this year. We will officially thank and farewell Gary at the end of this year.

Over the coming months we will make staffing appointments to replace these positions in readiness for next year.

A Wonderful Evening for our Community

On Saturday night over 240 parents and friends of the St John's Campus entered into the spirit of our Quiz & Disco '*Through the Decades*' Fundraiser Night.

It was wonderful to see so many of our parents and friends join in the spirit of the evening and dress up for the occasion. Costumes were amazing with many disco and rock and roll themes along with a host of other creative and imaginative efforts on display.

All in all it was a fabulous night hosted by our resident MCs Nick Carr and Andy Harris (aka Ron Burgundy and Champ from Anchorman). Our wonderful Quiz Master Alan Redford-Insall also challenged us with a range of entertaining questions throughout the night.

On behalf of our community I would like to extend a huge thank you to all who contributed to the success of our evening. Our St John's P&F team capably lead by Tanya Harris and Sally Carr, along with Angela Warrick our Community Engagement and Events Officer, did a wonderful job with tremendous support from the whole St John's P&F team.

Thanks also to the many parents and friends who donated items, provided sponsorship and supported with preparation and pack-up of the event.

With 2019 looming not too far in the future we are always seeking additional members for our P&F so that we can ensure the ongoing service that this important team provide to our community. If you are interested in finding out more about our P&F and feel that you might be able to contribute to our community in this way please contact one of our P&F team members.

Michael Paech

Principal - St John's Campus

Student Free Day

A reminder that the College will be closed this Friday, 31 August, and staff will be participating in professional development.

This may provide a good opportunity for you to spend a family day at the Royal Adelaide Show, which is on at this time. Please note that paid care will be offered at the St John's Campus on that day through our Out of School Hours Care.

Student Led Conferences Reminder

Student Led Conferences for Reception to Year 5 students will be held in Weeks 9 and 10 of Term 3. These conferences not only give students the opportunity to **share their learning**, they also assist in developing and increasing the students' **self-confidence** and ability to be **reflective learners**.

Essential skills that are also developed through the planning and running of the SLC:

- **Organisation skills**
- **Communication skills**
- **Management of time and resources**
- **Social skills**

It is a chance for students to **become the teachers** as they revel in the captive audience of you – their parents. You will be involved in various activities that will showcase to you the **different learning opportunities** your child has, seeing your child active in their learning environment.

They may talk about a piece of work and explain the process involved, teach you a concept through playing a game or task, or share their growth in an area or a goal that they are working towards achieving. Please be aware that this is an opportunity for you to spend time with your child **celebrating their learning** in a one-on-one situation and we ask that siblings not attend for this reason. Some guiding questions will be sent home prior to allow you the chance to familiarise yourself with the areas of learning that will be shared.

Student Led Conferences will be held on the following dates:

R - 2: Week 9 - Monday 17 and Tuesday 18 September

Year 3 -5: Week 10 - Monday 24 and Tuesday 25 September

These hour long sessions will commence at 3.30pm and conclude at 6.30pm.

Time will be spent in both classroom and with single subject teachers.

You and your child will be asked to take part in the specialist areas at a specific time to avoid congestion of learning areas.

Please [click to make an online booking](#) for your Student Led Conference and enter event code: **6ae4r**

Book Week

Book Week at St John's Campus was a busy but fun week, with this year's theme being '*Find your treasure*'. Two SA authors visited - Marianne Musgrove spent time with Year 3 to 6 students and Katrina Germein spent time with ELC to Year 2 students. Both authors talked about how they became an author, their life as an author and read some of their books.

Students found out who were the winners in the 'Create and decorate a treasure box' competition and throughout the week

buddy classes excitedly participated in a QR code book hunt around the school, finding answers to 11 questions.

The annual Scholastic Book Fair was held during the middle of the week and on Friday most students and staff came dressed up as a book character. A wonderful way to wrap up a fabulous week!

Nolene Gehling

Resource Centre Manager

Year 1s Visit Museums

As part of their inquiry into what the past was like, last week the Year 1 students visited the Migration Museum. Students really enjoyed dressing up and playing games as they explored what life was like for a child in the 19th century. Students also had the opportunity to visit the SA Museum and they enjoyed exploring the exhibits and seeing what life was like in the past in Egypt, Australia and Papua New Guinea. This excursion certainly gave the students a greater insight into aspects of Australia's history.

Rachel Harrip and Celina Read

Year 1 Teachers

Year 1s take a trip back in time...

The Year 1s took a trip back in time to the 1800s and explored life in the Unley area. The Unley Museum was once the local fire station. The fire fighters would keep watch in the tower and were even able to keep an eye on the football at the Unley oval. The students learnt all about the changes to the area from the Kaurna people to the early settlers who first lived in tents before building huts and later stone houses. The children walked the block viewing the old houses and also the churches and town hall. From here the students reflected on their new found knowledge which determines new questions and wonderings that we will now follow up.

Rachel Harrip and Celina Read

Year 1 Teachers

Reception Scientists visit Urrbrae Wetlands

As part of our Unit of Inquiry, our sensational Reception scientists are inquiring into how living things need certain conditions to survive. These mini scientists enjoyed a day at Urrbrae Wetlands exploring and observing what inhabits this area.

They caught many aqua macro invertebrates, looked at them under microscopes, and classified and sorted them. They spent time wandering along the bush track observing many birds and classifying them into bush and water categories. Reception scientists left the wetlands feeling very positive about taking action towards a sustainable future for our wetlands.

Nicolette McClure

Reception Teacher

Grandparents' and Special Friends' Morning

On Friday, 17 August, the Year 4, 5 and 6 classes welcomed their grandparents and special friends to St John's Campus. Chapel was presented by Year 5 and was followed by a performance from the Vocal Ensemble. Students guided their guests around the campus following a Learning Trail which included games grandparents may have played when they were at school, classroom activities, viewing P.O.I. exhibits and creating art and music using apps on iPads. A delicious morning tea was followed by a concert performed by the Percussion Ensemble, Concert Band and both the Year 3/4 and 5/6 Choirs. Everyone enjoyed a delightful day sharing this special time together.

Years 3 and 4 ALWS Awareness Morning

We were privileged to welcome Julie Krause from Australian Lutheran World Service to St John's Campus on Tuesday, 21 August. Julie worked with the Year 3 and 4 classes, investigating 'servanthood' and how we can help people around the world "Survive and Thrive!" We enjoyed learning through presentations, a range of simulation games and collaborative problem solving challenges.

St John's Campus Concert Band at ABODA

On Thursday, 23 August, the St John's Campus Concert Band attended the Aboda Festival at Westminster school led by their conductor, Mr Mat Noble. They performed three pieces. Some of the students have only been learning an instrument for two and a half terms and competed against other primary and high school bands. The students played wonderfully as an ensemble and thoroughly enjoyed the experience, placing silver on the day. Well done St John's Campus Concert Band!

Welcoming our Researcher in Residence

Following our involvement with Flinders University's wellbeing research through old collegian Dr Catherine Johnson (Research Fellow, Psychology; Concordia Class of '82), we are very excited to announce that this partnership has been officially recognised. Concordia College has been successful in obtaining a Flinders University *Innovation Seed Grant* to test a novel "Researcher in Residence" approach.

Developing a collaborative university/school model facilitates the piloting of innovative research ideas, and allows schools access to cutting edge knowledge around evidence-based mental health programs. We warmly welcome Dr Johnson as she begins working on campus this week.

Adolescent wellbeing, and implementing effective school-based programs, must be a major focus area in all schools, and Concordia is actively pursuing best practice in this area. Ernst and Young have estimated the cost of mental illness in young Australians to be \$5.2 billion a year, yet young Australians are the least likely age group to seek professional treatment. School-based prevention programs offer a means of reaching this population at the broadest level.

There is presently an abundance of programs available to schools, but an absence of research that provides guidelines for how best to age-match wellbeing programs across the school journey. *What needs to be included, and at what ages?* This approach is a world-first undertaking. Through surveys and focus groups, Dr Johnson will undertake pilot work in this area at Concordia. This will provide us with a snapshot of current student wellbeing strengths and needs as a first step in building an evidence-based and sequenced wellbeing program. It is an exciting initiative which has the potential to put Concordia at the forefront in this area of research, and drive a much-improved holistic focus on student wellbeing.

Dr Johnson continues to conduct research into mindfulness at Concordia using a new Belgian 8-week program, and comparing its effect in Year 8 (easier to timetable, earlier upskilling) with Year 10 (more mature in terms of brain development). Preliminary results from these groups suggest a stronger benefit for depression and anxiety in Year 10 students. We are currently collecting more data to show whether this effect is replicated with greater numbers, justifying curricular time in the Senior School. Throughout these projects, we will continue to update you on the results.

Fiona McAuliffe

Head of Senior School

Find Your Treasure in Year 8

During Term 3 the Year 8 students have been undertaking activities related to Book Week. The topic was '*Find Your Treasure*'. The Year 8s were appointed a task in which they had to write a letter to someone they admire or are inspired by. They had to ask many questions about books and write a bit about themselves, along with why they admired their chosen person. Some students were lucky enough to get replies from Maddie Robinson (Australian netballer), Rory Laird (Crows footballer), Mem Fox (author) and Amber Scott (ballet dancer). We have started to get replies throughout the term and other students are eagerly waiting for their letters to arrive. We learnt many new techniques for writing, along with learning how to correctly address an envelope. Along with the letter writing, we got the chance to have a library visit during Week 5 which involved tasks associated with Book Week. Every task had something to do with the topic *Find Your Treasure* and at the end a prize was given out from a treasure box for every group that participated. Overall, it was an amazing experience and the Year 8s are immensely grateful for all the work and effort that was put into making this year's Book Week so memorable!

Saffron 8AMA

Year 7 Grandfriends' Day Reminder

Grandfriends' Day is coming up on Friday, 7 September, and we look forward to welcoming grandparents and significant friends of our Year 7 students to the Concordia Campus for the morning. If your child's guests have not yet booked their place (limit of four guests per student), please ask them to do so or offer to [make an online booking](#) on their behalf as soon as possible.

We are still looking for some parents to help prepare and serve morning tea on the day, so if you can spare an hour or two between 9am and 11am on Friday, 7 September, please email [Angela Warrick](#), Community Engagement Officer or phone 08 8272 0444.

Father's Day Breakfast

This year's Father's Day Breakfast was once again a success, with The Suaviter packed full of students and their fathers and grandfathers for a lovely breakfast. More than 110 guests were treated to a touching speech about fatherhood by guest speaker, Hon. Jay Weatherill MP, as well as beautiful music by Jazz Trio, In-Sync, featuring Henry 10PLO, Sam 10PLO, and Lewis 10RDE.

Thanks to all who attended, to the P&F for their support of the event, and to our many parent volunteers who helped to ensure the event ran smoothly behind the scenes.

Year 8 Service as Action

Our College vision is clear: **Engage, Achieve, Serve**. Service is at the heart of the gospel message. God coming as Jesus to serve us. It is this foundation that we build upon when we look to serve others. Students from 8LSI, 8RCR and 8JCA, as

part of our Service as Action unit in Pastoral Care, were given the opportunity to serve staff and students within the college community on Wednesday by washing cars in the Balmoral Street car park and the large car park on Winchester Street. Students brought buckets and washing equipment and worked in small teams to wash vehicles. The idea of doing something for someone else with no personal reward is such an important experience for our students. It grows a service 'muscle' in them that strengthens them and the community. It was great to see many students rise to this challenge. We will run another car wash event this term to complete the cars in the smaller car park on Winchester Street that we did not get to. It has been a great opportunity to "...serve one another humbly in love." - Galatians 5:13.

Jonathan Carpenter

Year 8 Pastoral Leader

Year 8 Immunisation Program - Friday 14 September

2nd dose Human Papillomavirus Vaccine

Eastern Health Authority (EHA) www.eha.sa.gov.au will be visiting Concordia College (Friday, 14 September) to complete the Human Papillomavirus (HPV) immunisations for Year 8 students, where consent has been provided.

If you did not receive an immunisation consent form from your child, please ask at the SSO for one, if unavailable contact EHA on 8132 3600.

If any information you gave on the original consent form has changed, please inform EHA's immunisation staff before the date of vaccination on 8132 3600.

Please notify us if:

- Your child has already completed the HPV program with another provider.
- You wish to withdraw your consent.
- Your child's medical condition has changed.

Remember: It is your responsibility to advise EHA on the day of immunisation of any change in the information on the consent form, in particular, your child's medical condition. A signed and dated note presented to the Registered Nurse on the day of immunisation, from a parent or guardian in your child's diary, is acceptable.

Middle School Serves at The Magdalene Centre

Those from the Concordia community who were able to serve at The Magdalene Drop-in Centre on Saturday, 18 August experienced something of the paradox of Christian service, of giving only to come away feeling more filled and blessed than when we went. Many thanks to the generous families of the College who provided the food and clothing we were able to give to the patrons of The Magdalene Centre. Seven students and three parents helped served 100 meals, along with several helpers from the Centre. In a week that was quite wintry, the wholesome, homemade 3-course meal and warm clothes were gratefully accepted.

Sapsasa Table Tennis State Day

Last Friday, 24 August, three St John's Campus teams took part in the State Sapsasa Table Tennis finals. Granted direct entry to State Day after a clash of dates with district play-offs (Grandparents' and Special Friends' Day), the task was always going to be a tough one. However, the Year 6 boys' and girls' teams (Sam, Marcus, Max, Ethan, Teija, Mariah, Sofia and Matilda), and Year 5 boys' team (James, Ivan, Tom and Lachlan), acquitted themselves most creditably, being highly competitive in most games. Hats off and congratulations to the Paringa Park boys' team who were far too strong on the day and to the Tanunda 1 girls' team who were also most consistent and deserved their first place. Special mention to the Year 5 boys who managed two victories, often against Year 7 opponents and particularly Lachy with five wins for the day. Well done also to Tilly and Sofia with three victories each. Most importantly, all students displayed excellent behaviour and fine sportsmanship and it was a pleasure to manage the three teams on the day. Thank you also to Mrs Marni Savage for her assistance with managing, scoring and photography, together with the significant number of parents who came along to support our teams.

Gary Robertson

Team Manager

Boys Winter Sport Break Up

As has been tradition for many years, the boys' winter season of Soccer and Basketball wound up on Saturday, 25 August, with a series of internal scratch matches and the much anticipated Senior A v old collegians matches in both sports. I'm not sure we can rely on the scoring so let's just say it was more about the process than the outcome! As always, the day was a great celebration of involvement in school sport – a fun day that was supplemented by having a lot of girls netball matches at home also, which hasn't always been the case. Great support of the Breakfast BBQ, run by the Football Outreach Vanuatu boys and parents, saw a profit of nearly \$500 that will be used to purchase equipment and/or develop facilities for the youth involved in the AFL Vanuatu programs.

David Serotzki

Boys Sport Coordinator

Knockout Basketball

On Thursday, 26 July, the Senior A girls basketball team competed in the annual knockout carnival. The girls travelled to Henley High School to play against Henley and Portside Christian College. Going into the day the team were really well prepared and ready to play thanks to many early morning training sessions. The first game against Henley reflected all the hard work the girls had put in during the preparation for the day. It was very close for the whole game right up until the final few minutes where they ended up narrowly losing by a few points. The team put up an outstanding fight and should be proud of their performance. The second game against Portside proved to be challenging and after a competitive first game, the team couldn't quite finish off as well as they did earlier and lost. The input from all players in the team ensured that they could perform to the best of their ability. Congratulations to all girls; Sarah S, Emma W, Emma V, Issy H, Erin B, Mekdes C, Hannah P, Ella J, Teagan R, Sarah H and Ali G. A big thank you to all of our coaches for the effort and dedication they put in; Mr Nicola, Laura Hodges and James Adcock.

St John's Campus Sports Results

Basketball

Thursday, 16 August

Concordia Cavaliers Year 3/4s were defeated by Concordia Cannons Year 5s: 34 - 15.

Thursday, 23 August

Concordia Cavaliers were defeated by Unley Blazers: 26 - 50. Great effort given we only had 4 players.

Football

Friday, 17 August

Year 4/5 Division 1 were defeated by Burnside Primary: 4.1 (25) - 6.4 (40).

Saturday, 18 August

Combined Concordia/Glen Osmond team was defeated by Burnside Primary: 5.2 (32) - 10.7 (67).

Saturday, 25 August

Combined Concordia/Glen Osmond team was defeated by St John's Grammar: 5.5 (35) - 8.11 (59).
Year 4/5 defeated St Joseph's: 12.5 (77) - 2.0 (12). An awesome win!

Netball

Monday, 20 August

Concordia Cats were defeated by Unley Bluebirds: 1 - 32.

Soccer

Saturday, 18 August

Concordia U9 defeated Highgate: 1 - 0.

Senior Primary defeated Marymount: 7 - 0. Goal scorers: Lucas 5S (2), Marshall 5S (2), Liam 5K (1), Lachlan 5K (1), Fraser 5S.

Saturday, 25 August

Concordia U9 defeated Unley: 5 - 0.

Concordia Senior Primary defeated St Joseph's Kingswood: 2 - 1. Goal scorers: Liam 5K and Lachlan 5K.

Monday, 27 August

Concordia Cats were defeated by Linden Park Maroon Lions: 29 - 0.

ABODA Festival

Over three days last week, eight ensembles from Concordia participated in the Australian Band and Orchestra Directors' Association (ABODA) Festival held at Westminster College. This festival not only offers primary and secondary school bands the opportunity to perform a program they've been working hard to perfect over several months, but each group also receives feedback from expert adjudicators which can be used to assist in future performances.

This year, Concordia ensembles again played with excellent musicality and a high degree of confidence, achieving some outstanding results.

Congratulations to all the students and ensemble directors who worked so hard to prepare such great music.

The 2018 results are as follows:

String Ensemble	Gold and Overall winner , Advanced Strings section
Chamber Strings	Silver Award, Intermediate Strings section
Big Band 1	Gold and Overall winner , Advanced Stage Band section
Big Band 2	Silver Award, Intermediate Stage Band section
Big Band 3	Gold Award, Beginner Stage Band section
Concert Band	Bronze Award, Advanced Concert Band section
Wind Ensemble	Gold, Intermediate Concert Band section
St John's Campus Concert Band	Silver, Beginner Concert Band Section

Mat Noble

Director of Music

String Quartet Wins at Adelaide Eisteddfod

On Wednesday, 15 August, the Concordia String Quartet competed at the Adelaide Eisteddfod in the Year 9 and Under ensemble section. **Jasmine 9TPR, Haneulle 9ECU, Sterling 8AMA** and **Caleb 8LSI** performed very well achieving first place in their section. Well done to these students.

Mat Noble

Director of Music

Ethan wins U16 Australian Ultimate Drummer Competition

Congratulations, Ethan 10NMC!

Travelling to Melbourne over the weekend, Ethan (Year 10) was one of three drummers from across Australia to be invited to compete in the Under 16 category at the Australian Ultimate Drummer Competition. It's with great pleasure we share the news that Ethan won! This is an outstanding achievement, and places him in rare company. Well done, Ethan.

Flute Quartet Entertains Guests at Principal's Tour

On Thursday, 16 August, visitors who attended the Concordia Campus Principal's Tour were entertained by the Flute Quartet. **Georgia 12TMC, Heather 12RSO, Bailey 10RDE** and **Alex 10JWE** performed beautifully for our guests, demonstrating one of the many ensembles available to students at the school. Thank you to their director, Lydia Sharrad, for assisting them on the day and preparing them for the performance. Music ensembles are a very important extra-curricular activity at Concordia, and it is a wonderful chance for families who are considering the school or the future, to see some of the music opportunities that are available.

Mat Noble

Director of Music

Upcoming Events

Year 7 Grandfriends' Day

Our Year 7 students will welcome their 'grandfriends' to the Concordia Campus on Friday, 7 September. Students will host their 'grandfriends' on a tour of the school and a visit to their classrooms. Guests will also have the opportunity to meet teachers and student leaders over morning tea.

Request for Volunteers at Grandfriends' Day

We are looking for Year 7 parent volunteers to help prepare and serve morning tea on the day. If you can spare an hour or two between 9am and 11am, please contact Angela Warrick, Community Engagement Officer on 08 8272 0444 or by email awarrick@concordia.sa.edu.au

Year 6 Exhibition

Our Year 6 students will present to parents, students and community members to showcase the results of their learning journey through the IB Primary Years Programme and their development as confident young inquirers.

The Exhibition will be open from **6pm to 7.30pm on Tuesday, 11 September** and from **9.30am to 11am on Wednesday, 12 September**.

The School Shop

Opening Hours – Term Time

- Mondays: 8.00 am – 4.00 pm
- Wednesdays: 12.30 pm – 4.00 pm
- Thursdays: 12.30 pm – 5.30 pm

The School Shop staff can be contacted on the direct telephone line during opening hours – 8291 9302.

Holiday Opening Hours

The School Shop will be closed during the school holidays and re-open on:

Friday, 12 October from 9.00 am – 5.00 pm.

Normal trading hours will resume on Monday, 15 October (start of Term 4).

Second Hand Clothing

It may be timely to go through your summer uniforms and consider selling any unwanted items through The School Shop. We will be accepting second hand summer clothing throughout Term 3 in readiness for new student appointments during October and November.

All uniform items must be laundered and pressed and in a good condition. Blazers and winter skirts must be dry cleaned and summer hats cleaned. Any uniform items in need of repair eg. broken zips, seams unstitched, missing buttons etc, must be repaired prior to acceptance for sale. Buttons are sold in The School Shop.
