From the ELC Directors

What an incredible start to the year!

Concordia College's **two** Early Learning Centres have been blessed with welcoming many new families into our community this year.

We have retained the elements that families have appreciated in the past, our Lutheran values, nurturing care and inquiry-based learning.

Armed with enthusiastic smiles and a burst of excitement - the children have jumped head first into the new year. New friendships are blossoming and existing connections are being strengthened. It's truly a beautiful sight.

Both campuses have also welcomed new staff members who are providing a wealth of knowledge, experience and care to our children.

At St John's Campus we have embraced the opportunities that come with increased numbers, the introduction of our three-year-old programme, new facilities and new educators.

At St Peters we have been living and breathing 'New beginnings' in all we do this year. Embracing our new home under the Concordia College umbrella - we have been excitedly watching as the new signs are installed around the campus and we are proudly sporting the new colours of navy and gold.

Learning together is our passion - and we are looking forward to the many new opportunities ahead this year. For staff, children and families alike, 2023 is off to a great start - and these 'New beginnings'... are just the beginning! We can't wait to see what the future holds for the littlest learners of Concordia College.

"*Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!*" - **2 Corinthians 5:17**

Q&A with Daniel Halman, Year 3 Teacher - St John's Campus

1. Where were you before this and what persuaded you to join Concordia College?

Before Concordia (St John's Campus), I was privileged to do work as a relief teacher at a handful of schools in Adelaide, including St John's Campus. This allowed me to experience a variety of classrooms and hone my teaching practice. What drew me to Concordia College was the Christian focus, the inquiry mindset and a focus on student wellbeing through everything.

2. Three words to describe you.

Organised, thoughtful, kind.

3. What is your motivation or inspiration in your role?

I am motivated by the positive impact on student wellbeing and development I can have as a teacher, especially as this is such a formative stage in their lives. I am also inspired by the growth, innovation, and kindness that I see in the students, and I know that the future is safe in their hands.

4. If you had a superpower, what would it be?

I would have the power of teleportation, so I could save time on travel and sleep in longer in the mornings. I am unfortunately not much of a morning person.

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

I am fortunate to have a tight-knit family and friendship group, and I love to have wide-ranging conversations with them, so they would make up my six guests, as well as my wonderful wife who is my other half and makes every situation better.

Q&A with Darrin Warren, Year 3/4 Teacher - St Peters Campus

1. Where were you before this and what persuaded you to join Concordia College?

I worked in the southern area at numerous sites. A Principal I was doing some work for suggested I apply for a job at St Peters.

2. Three words to describe you.

Loyal, helpful, caring.

3. What is your motivation or inspiration in your role?

My motivation is to see students improve their confidence and learn lifelong skills that help them be successful in whatever career they choose to pursue.

4. If you had a superpower, what would it be?

To be able to fly, petrol is so expensive!

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

- Ken Hinkley - he would be great to chat to about footy
- Malala Yousafzai - an inspiring student who would be great to listen to
- The head of Area 51 - to find out if there really are UFOs
- Bruce McAvaney - he would have great stories
- Billy Brownless - he would provide a good laugh
- Prince William - he could tell us about Harry.

Q&A with Fiona Greig, Senior School Learning Leader

1. Where were you before this and what persuaded you to join Concordia College?

I worked at St Dominic's Priory College, North Adelaide, and before that I was a Senior Curriculum and Assessment Officer at the SACE Board. I was ready for a new challenge, one which allowed me to use my SACE knowledge and experience, and passion for learning and teaching. I am excited at the opportunity to be involved in the leadership of the high-quality learning and teaching for which Concordia is known.

2. Three words to describe you.

Dedicated, hardworking, passionate.

3. What is your motivation or inspiration in your role?

The students are my motivation. Ensuring their learning experiences support them to achieve their full potential drives me to do my best.

4. If you had a superpower, what would it be?

The ability to stop time! This would give me the time to really get to know the staff and students, including students whom I do not teach directly. Knowing the students well helps me to support and guide them in the decisions they make, particularly in their Senior School years.

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

I have always been a big sports fan, from my swimming days as a teenager to rowing at uni, and now attempting to run a marathon.

Year 1 Visual Arts Exhibition

The St John's Campus community recently enjoyed an exhibition of beautiful artworks created by our Year 1 students as they explore:

- Artists make choices about their use of materials and tools when making art; and
- People make choices every day that impact on their lives and others.

Jazz Camp at Nunyara

On Monday 20 February, Concordia's Big Band 1 and Big Band 2, along with our Mattson, McKenzie and Prelude Jazz Choirs spent a full day at Nunyara Conference Centre (Belair) preparing repertoire for this year's Generations in Jazz Festival.

Led by our wonderful Music staff and joined by other expert jazz musicians, 78 students from Years 7 to 12 came together for an exceptional day of learning, culminating in a "Show and Tell" performance at the end of the day.

Congratulations to all involved. Throughout this rigorous and at times intense learning time, your resilience, risk-taking, teamwork, and collaboration were on display. We look forward to seeing the students perform soon.

Mat Noble
Head of Music Performance ELC-12

Inclusive Learning Update - Student Support Plan Meetings

Student Support Plan (SSP) Meetings

Throughout Term 1, Inclusive Learning teachers will facilitate SSP meetings. Students who have an identified learning difficulty/disability, and their parent/carers, will be invited to attend to establish key learning goals and discuss any specific support needs.

During this time, SSP documents will be updated and shared with the student's teachers on SEQTA to enable them to make reasonable adjustments and support students to achieve their specific learning goals.

Appointment times will be made available via PTO within coming weeks, offering a number of available times to meet.

The following teachers will meet with year levels as follows:

- Alva Barton – Years 7 and 8
- Lauren Bone – Years 9 and 10
- Manda Wilson – Years 11 and 12

An email will be sent out once the PTO system is open for appointments.

Manda Wilson
Inclusive Learning Coordinator

All Shook Up - Concordia College Musical 2023

Our cast, crew and pit band are well into rehearsals for Concordia's 2023 musical, All Shook Up, with opening night only five weeks away!

Set in a town where nothing happens in mid-west America in the 1950s, the story follows the craziness that ensues when a roving roustabout hits the streets, and everyone starts falling madly in love.

With an amazing score of Elvis Presley favorites and a story inspired by one of Shakespeare's famous romantic comedies, 'Twelfth Night', this show is an absolute sonic wonder and will have audiences singing along, dancing in the aisles and falling off their seats with laughter.

As always, our students are working so hard to bring this enormous work to the stage. Do not miss the opportunity to be inspired and entertained by over 100 of Concordia's wildly talented performing artists!

- Enquiries: ztidemann@concordia.sa.edu.au
- Performances: Thursday 30 March 7.30pm // Friday 31 March 7.30pm // Saturday 1 April

2pm | 7.30pm
- Venue: Hopgood Theatre, Noarlunga
- Tickets: $45 | $37.50

Tickets on sale in Week 5, Monday 27 February at 9am.

Book via the Hopgood Theatre website (from Monday 27 February) (opens an external website in a new window)

Year 7 and 8 First Visit Immunisation Reminder

Immunisation Information for Parents/Legal Guardians of Year 7 and 8 Students

The SA 2023 School Immunisation Program will be delivered by Eastern Health Authority (EHA) on **Friday 10 March 2023**.

All Year 7 & 8 students will be offered:

- 1 dose of the human papillomavirus vaccine, Gardasil®9

- 1 dose of the diphtheria, tetanus, whooping cough vaccine, Boostrix®

Further information and videos for high school students are available at: www.health.gov.au/news/school-based-vaccinations-for-teens

Immunisation consent packs were given out at the beginning of the school year with information about the vaccines on offer. It is important that you have read the information supplied in the packs before you give consent for your child to be vaccinated at school. If you did not receive an Immunisation Consent pack from your child, please ask at the school office.

Please notify EHA if:

- Your child has already started the above program with another provider
- You wish to withdraw your consent
- Your child's medical condition has changed

Tips for the day of immunisation:

- Encourage your child to have a good breakfast and recess on the morning of immunisations
- Wear sports uniforms to aid easy access to the upper arm and avoid unnecessarily exposing yourself if clothing needs to be removed/undone
- Encourage your child to keep their arms moving and drink plenty of water throughout the day.

If you have any further questions about the program, please directly contact Eastern Health Authority on 8132 3600 or via e-mail at eha@eha.sa.gov.au

Remember: it is your responsibility to notify EHA of any changes or information, particularly in relation to your child's medical condition. A signed and dated note in your child's diary from a parent or guardian presented on the day is acceptable.

School Immunisation Program records will be available on MyGov within 24 hours of the school visit

2022 Concordia College Review Yearbook

Those who were part of Concordia College in 2022 will have received their annual Review yearbook. Our printer has advised that a few copies were missing the UV gloss varnish historical illustration of the Hamann Wing, which was clear printed over the '2022' on our cover.

If you have received this version (without the gloss varnish illustration), please email hello@concordia.sa.edu.au, advising us of your class and year level. We will arrange a replacement copy very soon. We always strive for perfection – thank you for your assistance.

Special Report: The Wellbeing Barometer 2023

SchoolTV is a wellbeing resource implemented at our school to help support parents in the challenges of modern-day parenting.

Parents and caregivers play a vital role in providing the guidance needed to support children and adolescents as they reframe their worries and focus more on the things they can control.

In our SchoolTV Special Report, we are seeking parent participation through a short survey designed to provide a barometer to help gauge the state of student wellbeing in our community across the last 12 months. This will help us to determine how best we can support families in the months ahead. Responses remain anonymous and will be reported on an aggregated basis.

By working together we can continue to build relationships, foster connections, enable understanding and break down barriers as we navigate a pathway towards better wellbeing for all students. Please reflect on the information offered in this Special Report, and as always, we welcome your feedback. If this raises any concerns for you or your child, please reach out to the school or seek professional medical advice.
