From the Primary School Principals

This year promises to be filled with new opportunities, challenges and memorable experiences at Concordia College. We are thrilled with how the year has started at the College, focusing on building strong connections and forging significant collaboration with all stakeholders.

2024 promises endless possibilities for our learners. With a dedicated team of passionate educators, strong and cohesive strategic pillars, and a culture fostering agency, we are committed to providing each student with the tools they need to flourish and grow. Some highlights for the year include:

- Educators and students collaborating across the three campuses to create and provide enriched learning connections and opportunities for all our students. This involves the deliberate sharing and use of resources and facilities across our campuses.
- Focusing on Challenging, Connecting and Empowering all our learners in supporting their academic and wellbeing growth.
- Learning through experience – camps, excursions, extra-curricular and enrichment activities that provide all students with opportunities to develop critical skills and capabilities in a range of different experiences.
- Focusing on the progress of every student, with a specific focus on removing barriers and strengthening our inclusive culture and environment.

We are extremely excited about the impacts and benefits these priorities and plans will have

for our students.

Finally, we would also like to extend a warm welcome to all the new students and families who have joined our College community this year. We're excited to have you as part of our learning community and look forward to getting to know you all.

Q&A with Mat Disher, Director of Learning and Wellbeing ELC-12

1. Where were you before this and what persuaded you to join Concordia College?

I was at Scotch College Adelaide as the Head of Middle School. The Director of Learning and Wellbeing role persuaded me to join the College as Concordia is one of the first schools to put these two elements together, as they should be.

2. Three words to describe you.

Energetic, positive, fidgety.

3. What is your motivation or inspiration in your role?

We tell young people that school is supposed to be the best years of their life – I'm motivated to make sure that it is.

4. If you had a superpower, what would it be?

Teleportation. Imagine being able to teleport anywhere in the world to visit/explore, and even teleport to work – no more traffic!

5. Who would you invite to a dinner party of six guests and why? Alternatively, tell us something you might like to share that we could not possibly know?

The Essendon Football Club coaching staff (I have some thoughts I would like to share).

ELC and Year 8 Drama Collaboration

The St John's Campus ELC children were delighted with a visit from some Year 8 Drama students who shared their developing skills through familiar storybook presentations. The

stories came to life through the Year 8 students using interactive approaches, voice, costume and props to engage their young audience. While the Year 8 students gained practice in live theatrical performance, the ELC children gained an understanding of audience etiquette. Other learning for the ELC children included skills such as listening, comprehension, imagination and cooperation. Year 8 students commented,

“It was awesome to see their little faces laughing, watching and yelling out cute comments.”

“I liked going across to the [St John's] Campus and seeing the new ELC area. Concordia was where I have been all my schooling days, so to go there and remember what I might have been like at their age was amazing.”

The ELC children were willing and enthusiastic participants in this new initiative of peer learning with the Concordia Campus Drama students.

The Year 8 students will now produce their own pieces of Theatre for Young People to present to younger audiences as part of their trimester of study in Drama. The Drama department looks forward to continuing this cross-campus connection, modelling to the younger children what they too can look forward to in the future!

Health and Safety in the ELC

Concordia College prioritises children's health and safety. In addition to regular First Aid, Asthma and Anaphylaxis training, the ELC and OSHC services undertake annual refreshers for Cardiopulmonary Resuscitation (CPR). We have numerous defibrillators positioned around the College. This week St John's Campus ELC staff updated our CPR training.

In addition, an evacuation drill was held on Monday 4 March to ensure all staff and students were familiar with what to do in the event of an emergency.

Year 11 and 12 Legal Studies Update

The Year 12 Legal Studies class recently attended the Magistrates, District and Supreme Courts and Parliament House where they were able to view the workings of our court system and the lawmaking procedures of Parliament House, especially Question Time.

Both Year 11 classes attended the Magistrates, District and Supreme courts and were fortunate to have Judge Allen speak to them about the court process. The enthusiasm and interest shown by the students in classes, to understand how our court system and parliament are able to keep society in sync with a multitude of changes in technology, is a credit to the classes. They are willing to question and analyse the system we hold in high regard to resolve our legal disputes.

Reminder: Year 10 Immunisations Friday 22 March

First Visit Reminder for Parents of Year 10 Students

Immunisation information for parents/legal guardians of Year 10 students

All Year 10 students will be offered:

- two doses of the meningococcal B vaccine, Bexsero® at two separate visits (two months apart).
- one dose of the meningococcal ACWY vaccine, Nimenrix®

The Eastern Health Authority (EHA) will be visiting Concordia College on **Friday 22 March** to complete the meningococcal B (first dose) and ACWY vaccine, Bexsero® and Nimenrix® immunisations for Year 10 students where consent has been provided.

Further information and videos for high school students are available [online](#).

Immunisation consent packs were given out at the beginning of the school year with information about the vaccines on offer. It is important that you have read the information supplied in the packs before you give consent for your child to be vaccinated at school. If you did not receive an Immunisation Consent pack from your child, please ask at the school office.

If any information you gave on the original consent form has changed, please inform the Authority's immunisation staff before the date of vaccination on 8132 3600.

Please notify us if:

- Your child has already started the above program with another provider
- You wish to withdraw your consent
- Your child's medical condition has changed.

Tips for the day of immunisation:

- Encourage your child to have a good breakfast and recess on the morning of immunisations
- Wear sports uniforms to aid easy access to the upper arm and avoid unnecessarily exposing yourself if clothing needs to be removed/undone
- Encourage your child to keep their arms moving and drink plenty of water throughout the day.

If you have any further questions about the program, please directly contact **Eastern Health Authority on 8132 3600 or via email at eha@eha.sa.gov.au**

Remember: It is your responsibility to notify EHA of any changes or information, particularly in relation to your child's medical condition. A signed and dated note in your child's diary from a parent or guardian presented on the day is acceptable.

School Immunisation Program records will be available on MyGov within 24 hours of the school visit.

Concordia College Ski Trip returns in 2024

We are thrilled to resume running our annual Ski Trip in 2024, with a group of 30 heading to New Zealand from Sunday 30 June to Friday 5 July. Students will enjoy three days of skiing and a chance to explore Queenstown. They may also have an opportunity to take a Shotover Jet Boat ride!

Initial registrations will be opened to Year 12 students. If space permits after initial registrations have been gathered, an invitation will be extended to Year 11 students to join the trip.

Full details, including information on how to register, has been emailed to Year 12 parents and caregivers.

We look forward to this extraordinary trip with excitement and anticipation.

Principal - Concordia Campus

Road Safety Reminders

A reminder that the safety of all community members is our highest priority. With increased traffic loads and much movement in the streets surrounding the College during drop-off and pick-up times, we ask all road users to take note of the information below.

- [Australian Road Rules: Children, Schools and Traffic](#) - information distributed by the City of Mitcham
- [Keep Kids Safe: Road Safety Around Schools](#) - information distributed by the City of Unley
- [How to safely use a school Kiss and Drop Zone](#) - information by the City of Unley
- [A guide to parking in Unley](#)

Parking Request

With regards to parking, please take care when parking around the College, ensuring adherence to all relevant signage and road rules. We ask that all Concordia road users be considerate and respectful of our neighbours. We can do this by:

- staff and students using the designated car parks provided on site
- parents/caregivers and anyone parking on the road being mindful of keeping driveways clear
- adhering to parking restrictions at the end of Cheltenham Street cul de sac

Please note there is a new 25km/h speed limit in Cheltenham Street near the Fortiter Gymnasium, with increased movement of children in this area. If you are driving along Cheltenham Street, please adhere to this new limit.

Thank you for your understanding and your cooperation in keeping our school and wider community safe.

Reminder about Volunteering at Concordia College

Concordia College values and actively supports the involvement of volunteers in the many and various aspects of College life. Your interests and talents contribute positively to the Concordia community.

We are committed to ensuring that any volunteers who support the College are able to work in a safe environment and in a manner that maintains the safety and wellbeing of volunteers, students and staff members.

Details on required screening and online training are listed below and are also available via the Parent Lounge on the College website: Parent Lounge > School Information > Volunteer Information and Screening.

- Working with Children Check (WWCC) valid for five years
- Responding to Risks of Harm, Abuse and Neglect – Education and Care (RRHAN-EC) valid for three years (Link to PLINK website – Non-Department for Education staff login where volunteers access online fundamental course)
- Acknowledgement of Volunteer Code of Conduct – through the College SINE system when entering College. All volunteers are to sign into School Office/Reception as “Volunteer” and must be wearing a Visitor Badge.

From 2024 all Direct Contact Volunteers are also required to complete:

- Valuing Safe Communities training valid for three years

A **Direct Contact Volunteer** is a volunteer that provides support, guidance and supervision directly to students. This includes providing support on school excursions and in classrooms.

Details of these checks are to be advised by email to St John’s Campus - sjmail@concordia.sa.edu.au, St Peters Campus – spmail@concordia.sa.edu.au and Concordia Campus - mail@concordia.sa.edu.au

An **Indirect Contact Volunteer** is a volunteer that does not provide support, guidance and supervision directly to students and volunteers. This includes providing support for Parent and Friends functions.

Concordia College requires all Indirect Contact Volunteers (including parents) to have the following:

- A record that you have completed induction training
- Acknowledgement of the Volunteer Code of Conduct

Insurance

Concordia College is committed to providing adequate insurance cover for volunteers whilst carrying out their volunteering roles that have been approved and authorised by us. The following insurances are in place:

- Professional Indemnity Insurance
- Public Liability Insurance
- Statutory Liability – WHS Insurance

Vaccination Requirements – as Per COVID Vaccination policy updated 1/1/2023

Concordia College strongly encourages all volunteers to maintain an up-to-date vaccination status against COVID-19, with a COVID-19 vaccine that has been approved by the Therapeutic Goods Administration.

SSSA Swimming

On Wednesday 28 February our swimming team hopped on a bus and travelled to the SA aquatic centre to participate against other nine other schools in the SSSA swimming championships.

Starting the day off strong with wins in the first two races, our team excelled in the freestyle and butterfly placing in many of the races and achieving times that enable swimmers to qualify for the Long Course State Championships next weekend. The individual events for the day finished with 100m freestyle where we finished first, second, third and fifth in respective races. The day finished with relays where we brought home another strong win in the Open boys' medley. By the end, we had finished seventh in the girls' competition, sixth in the boys' competition and sixth out of 10 schools overall. After just being moved up a division this was a great result and all swimmers should be proud of their efforts.

A special mention must go to those swimmers who helped bolster our squad and fill out individual events and relays. Finally, a huge thanks to the Year 10 students who supported the team and filled our allocated positions as timekeepers. The day wouldn't have been possible with the organisational prowess of Mrs Greig and the elite coaching of Hao and Louisa.

Student Achievement

Well done to Lily 12TMCC for being selected among 95 Year 11 and 12 students nationwide to attend the 29th National Schools Constitutional Convention in Canberra.

The program is funded by the Australian Government Department of Education (DOE), coordinated by National Curriculum Services (NCS) and supported by the Australian Curriculum Studies Association (ACSA) and department of education from all states and territories.

This year's convention topic is *'Section 96 of the Constitution allows the Commonwealth to grant funds to areas that fall outside those prescribed in Section 51. Should Section 96 be amended to decentralise the power of the Commonwealth?'*.

Students will examine, discuss and debate these aspects of the constitution, with outcomes being presented to the President of the Senate, Senator Sue Lines, for tabling in Parliament and recorded in Hansard.

We wish Lily all the best as she prepares for this extraordinary opportunity.

Winter Uniform Requirements

All students are required to wear the College winter uniform from the start of Term 2. Winter uniform requirements can be found on the '[Uniform Shop](#)' page within the College website.

Please check that you have all items required prior to the start of Term 2. To ensure preferred sizes are available, students new to the College will need to make their booking for a uniform fitting prior to the end of this term. Students requiring change of size can make their purchases during general trading and holiday opening hours.

Winter Uniform Appointments

Winter uniform appointments are available for all students new to the College. Please check your emails for booking information. ELC students do not require an appointment.

Uniform Orders

Email orders are also welcome and purchases may be collected from The School Shop during opening hours. Please email schoolshop@concordia.sa.edu.au and include:

- your child's name and year level
- size
- your contact details

The School Shop staff will contact you for payment and advise when your order is available to collect. Students in Years 7-12 are emailed to advise when their orders are ready to be collected. For students in ELC-Year 6, email advice is sent to parents/caregivers.

PE Polo Shirt

The old style gold and navy PE polo shirts are now discontinued and students are required to have the new navy PE polo shirt.

PE Socks

The CC Sport Socks with the logo are required to be worn by all students from Reception to Year 12 with their PE uniform. Students in Years 7-12 are also required to wear the CC Sport Socks with their formal summer uniform.

Secondhand Clothing

If you have uniforms you no longer need, they may be donated or sold on consignment in The School Shop ([click to download a secondhand uniforms consignment form](#)).

Please note:

- Blazers and winter skirts/pinafores must be dry cleaned with a receipt attached.
- Jumpers must be washed using a wool wash detergent.
- All other items must be in good condition, stains removed, washed and ironed ready for sale.
- Summer hats must be hand washed.
- Any uniform items in need of repair e.g. broken zips, seams unstitched, missing buttons, etc. must be repaired prior to acceptance for sale. Buttons are sold in The School Shop.
- Garments presented on hangers are preferred.
- Old logo and discontinued styles – uniforms with the old school logo and discontinued styles are no longer saleable in The School Shop but can be dropped off for overseas charity donation.
