Background — The College

Concordia College has a rich history as an academic and caring school, encouraging and supporting young people to be successful, independent learners.

Our school was established in 1890 in Murtoa, Victoria as a boys' college and training ground for future pastors and teachers. Fifteen years later, it moved to Highgate, a beautiful leafy suburb just 5km southeast of Adelaide's CBD.

In 2016, Concordia College and St John's Lutheran School in Highgate, joined together as one College (ELC to Year 12). We amalgamated with St Peters Lutheran School at Blackwood, adding a third campus in January 2023.

- St Peters Campus, Blackwood – ELC to Year 6
- St John's Campus, Highgate – ELC to Year 6
- Concordia Campus, Highgate – Year 7 to Year 12

The ongoing development of the IB curriculum framework, the Australian curriculum, SACE, VET and the continuing exploration of new ways to use digital technologies in support of student learning are important components of the Strategic Plan of Concordia College. All students have access to a digital device. Current enrolment is approximately 550 students from ELC – Year 6 and 900 students from Years 7 – 12.

The Curriculum Framework

ELC

The Early Learning Centres (ELC) provide a safe and nurturing environment and is the first step into education at Concordia College from 3 years of age.

YEARS R – 6

The St John's Campus offers the International Baccalaureate Primary Years Programme (IB PYP). It aligns with the Australian Curriculum.

The St Peters Campus offers the Australian Curriculum.

YEARS 7 - 9

The Middle School has offered the International Baccalaureate Middle Years Programme (IB MYP) since 2000. It aligns with the Australian Curriculum.

YEARS 10 – 12

Students complete the South Australian Certificate of Education (SACE). VET opportunities are supported.

These curriculum frameworks all promote student-centred learning and the development of independent learning skills designed to equip young people with life-long qualities that extend beyond the classroom into the community. Many school-organised service activities support this.

Learning Well

Learning Intentions and Success Criteria:
Clear and explicit statements relating to what students are learning, the purpose of their learning, and what achievement 'looks like'.

Structure and Routines: A consistent learning structure and set of routines are used to support student engagement, reduce cognitive load and assist the development of self-management, and emotional regulation skills.

Relationships and Expectations:
A safe learning environment is established through modelling respectful relationships and upholding consistent expectations.

Wellbeing Model

Inquiry: Questions and authentic provocations are used to engage students in constructing knowledge, developing skills, and applying their understanding.

Inclusion: Strategies, activities, and interventions are selected, adjusted and used to support the engagement and progress of every learner based on their strengths, interest and needs.

Feedback: Diverse, regular and timely feedback opportunities are provided for students in assisting them to understand their learning performance and the next steps in achieving progress.

School Culture

Concordia College supports an environment that encourages the growth of each individual's spiritual, intellectual, cultural, social and physical capabilities.

The heart of Concordia College is expressed in our motto; Firm in Principle, Gentle in Manner. The education and growth of the whole person is central to the purpose of the College and is realised through high expectations within a culture of openness and forgiveness in a Christian community.

Concordia College is an inspiring school environment with professional, caring teachers who provide a firm foundation for students to engage with their learning and build relationships. We believe this is vital in allowing them to strive to achieve their best. This in turn, enables students to be positive contributors to the world through service to others, both locally and globally.

Sport at Concordia College

Concordia College is highly successful in a range of sports, entering teams in national and state-wide sports competitions such as Basketball, Netball and Volleyball. Our Basketball program has had a particularly proud history, having won several State Championship titles. In recent years, our Volleyball program has been steadily building with a number of excellent results, including three consecutive Senior Girls' premierships.

This sporting excellence is underpinned by our emphasis on participation. Students of all abilities are encouraged to participate in at least one of our many sports. We offer programs for both first time players and the more experienced.

Position Overview

Sport Philosophy

At Concordia College, sport transcends the typical definition of extra-curricular activities and is embraced as a vital component of the co-curricular framework. This approach recognises sport as an essential element that enriches the curriculum and enhances the overall learning journey of students. While some extra-curricular activities can be somewhat peripheral in regard to their influence on the holistic education of a student, co-curricular activities are deeply interwoven with the curriculum, fostering growth in social, physical, and leadership competencies.

This role is central to fostering a positive and high-performing sporting environment at Concordia College. Coaches are encouraged to provide leadership and inspiration to students while upholding the school's values and commitment to excellence in sport.
