Background — The College

Concordia College has a rich history as an academic and caring school, encouraging and supporting young people to be successful, independent learners.

Our school was established in 1890 in Murtoa, Victoria as a boys' college and training ground for future pastors and teachers. Fifteen years later, it moved to Highgate, a beautiful leafy suburb just 5km south east of Adelaide's CBD.

In 2016, Concordia College and St John's Lutheran School in Highgate, joined together as one College (ELC to Year 12). We amalgamated with St Peters Lutheran School at Blackwood, adding a third campus in January 2023.

- St Peters Campus, Blackwood – ELC to Year 6
- St John's Campus, Highgate – ELC to Year 6
- Concordia Campus, Highgate – Year 7 to Year 12

The ongoing development of the IB curriculum framework, the Australian curriculum, SACE, VET and the continuing exploration of new ways to use digital technologies in support of student learning are important components of the Strategic Plan of Concordia College. All students have access to digital device. Current enrolment is approximately 550 students from ELC – Year 6 and 900 students from Years 7 – 12.

The Curriculum Framework

ELC

The Early Learning Centres (ELC) provide a safe and nurturing environment and is the first step into education at Concordia College from 3 years of age.

YEARS R – 6

The St John's Campus offers the International Baccalaureate Primary Years Programme (IB PYP). It aligns with the Australian Curriculum.

The St Peters Campus offers the Australian Curriculum.

YEARS 7 - 9

The Middle School has offered the International Baccalaureate Middle Years Programme (IB MYP) since 2000. It aligns with the Australian Curriculum.

YEARS 10 – 12

Students complete the South Australian Certificate of Education (SACE). VET opportunities are supported.

These curriculum frameworks all promote student-centred learning and the development of independent learning skills designed to equip young people with life-long qualities that extend beyond the classroom into the community. Many school-organised service activities support this.
