Purpose

Our Child Safe Policy, which includes our Statement of Commitment to Child Safety, was written to demonstrate the strong commitment of Concordia College to promoting children's wellbeing and safeguarding children from harm, and to provide an outline of the policies and practices that we have developed to keep our students safe, including from abuse or other harm.

It is an overarching policy that provides the key elements of our approach to Concordia College as a child safe organisation and sets the tone for Concordia College's entire Child Safe Program.

The Child Safe Policy provides the framework for:

- implementing the National Principles
- developing systems, practices, policies and procedures that promote child protection within Concordia College
- creating a safe and supportive Concordia College environment and a positive and robust child protection culture
- promoting and openly discussing child safety issues within Concordia College
- complying with all laws, regulations and standards relevant to child protection in South Australia.

Scope

The Concordia College's Child Safe Policy applies to all adults in Concordia College, including Staff, Volunteers, Contractors, External Education Providers, parents/carers and other family members. This Policy applies in all Concordia College environments, both physical and online, and on-site and off-site Concordia College grounds (e.g. camps and excursions).
