Year 7-12 Entry

# Academic Scholarship

The ACER Scholarship selection and entry test identifies the highest achieving students within a group of high achievers. The test provides reliable information on performance across a range of achievement factors focused on three criteria: comprehension and interpretation; written expression; mathematics.

On the basis of these results a limited number of academic scholarships are awarded to prospective or continuing Year 7 to Year 12 students. Academic scholarships provide partial remission of tuition fees for up to six years.

## Applications close in January the year prior to commencement.

Please refer to our website for the current application timeline.

### Further Information

Please direct any further enquiries to the Director of Enrolments on 08 8272 0444 during office hours.

### Examination Date

The examination date is set by ACER in early February each year. Please refer to our website for ACER's next testing date. The on-campus examination is hosted at Concordia College Highgate Campus.

### Online Registration

All registrations must be completed online. The ACER website [www.acer.edu.au/scholarship](http://www.acer.edu.au/scholarship) will provide you with all the necessary information you require. Sample questions are also available to purchase via the ACER website.

The registration fee for the ACER Scholarship Test is \$150. The fee covers the examination fee charged by the Australian Council for Educational Research (ACER). Please note that there will be no refund of the entry fee for students who are unable to sit for the examination. Applications close in mid-January the year prior to commencement. Please refer to our website for the current application timeline. Late applications may not be accepted.

### Examination Centres

Country, interstate and international candidates may take the examination at any of ACER's alternative test centres. The candidate must contact Concordia College to confirm this arrangement.

### Results

ACER reports candidate results to each school. Your child's results are also available online from early March. On the day results are available, you will receive an email to your nominated email address with details on how to access the results.

### Award of Scholarships

The scholarship recipients will be determined based on the examination results and the evaluations of the Concordia College Scholarship Review Committee. These will be announced from early March the year prior to commencement.
