Unlock your potential

Sports Scholarship | Year 10-12 Entry

Our Sports Scholarship recognises external students looking to commence at Concordia College who demonstrate exceptional sporting talent, potential, character and commitment, and who will positively contribute to the culture, reputation and sporting life of the College while pursuing excellence in their chosen sport. This scholarship offers a unique opportunity for high-performing student-athletes to thrive both on the field and in the classroom, while receiving an education that will empower, challenge and connect.

This scholarship provides up to 60% remission of tuition fees, commencing from Year 10 entry and above. Continuation of the scholarship is subject to review, with the recipient maintaining the required training commitment, academic progress, and conduct of a high standard, and continuing to represent the College in competitions and events where possible.

Aboriginal and Torres Strait Islander athletes are strongly encouraged to apply.

Applications close in October the year prior to commencement.
