#### Composite Fee

This fee covers most curriculum requirements including use of textbooks, school magazine, project materials, co-curricular activities, cost of year level camps and most excursions.

#### IT Levy

This fee includes the provision of a fully-serviced device, software and campus web access for the school year.

#### Building Fund Contribution<sup>1</sup>

The Building Fund Contribution is a compulsory fee of \$300 per student, up to a maximum of \$600 per family. This contribution assists in the maintenance of College buildings and facilities.

#### Payment of Fees

Fees may be paid by the following methods:

1. Annually in advance, by 30 November of the preceding year, with a 4% discount on tuition fees.
2. Four instalments, by 30 November of the preceding year, 28 February, 31 May and 31 August.
3. By arranged monthly direct debit/credit card instalments.

Payment is due by the end of the month in which accounts are rendered. Payment options can be found on the base of your Statement. It is not College Policy to carry fees forward into the next billing year. Hence, fees under agreed payment plans with the College must be finalised by the end of October each year.

The Concordia College Board reserves the right to terminate the schooling of a student whose fees are in arrears. The College also reserves the right to charge a late payment fee and the cost of recovery fees on overdue accounts.

Family accounts will not be split and will be billed as per the enrolment form. Where this represents a separated family, the College expects the enrolling parents/caregivers to arrange payment plans between themselves ensuring all fees are up to date.

## Fee Schedule 2024 - Subject to Change

\*Until 2023, our Year 7 tuition fees have been charged as if students are learning at our Primary School campus. Following a careful review, the Year 7 tuition fee structure will increase to reflect the teaching and facilities at our Middle School. The alignment will occur in equal increments over three years commencing in 2023.

All school account payments must be up to date or an approved payment plan in place and maintained before a student is permitted to attend any non-curriculum trips or excursions for which a charge is levied.

**When a student is to be withdrawn from the school, parents are required to give the Principal one school term's notice, in writing, before the withdrawal date, otherwise parents will be liable for an additional term's fees, in lieu of notice.**

### Concordia Parents and Friends Membership

Included on the first term account is an annual charge of \$40 per family for membership of the Concordia Parents and Friends. This contribution enables the group to support community engagement and projects.
