hello@concordia.sa.edu.au

Concordia College will soon complete the amazing new Gymnasium build and we need to name it. It will be a huge facility to accommodate all students ELC to Year 12 across three campuses.

We are seeking a name that instigates visions of fitness, wellbeing, teamwork, exercise and/or sport.

The name could be from any language, including German (Concordia's heritage), Kaurna (upon approval from Elders), English or another language of your recommendation.*

All suggestions will be considered by the Building Naming Group and our Property Committee. Then Mr Weinert, our Head of College, will seek College Board approval.

The winner will be invited to join us at the official opening and have plaque recognition in the gymnasium acknowledging their extraordinary contribution.
