Information

Questions to ask at the Expo

Walking into an Expo can be a bit intimidating, so here's some questions you can ask the exhibitors:

About jobs

- What does your organisation do? (If it's not obvious)
- What sorts of jobs are available in your organisation?
- What qualifications would you expect someone to have?
- What additional skills, like languages or computer skills, are particularly valuable?
- Is work experience available?
- In a typical day, what does *[the job you're interested in]* do?
- How would I go about applying for work with you?
- What would be a great next step to take?

About study

- What courses are available?
- What are the entry requirements?
- What if I don't meet the entry requirements?
- Where will my study take me?
- Are scholarships available?
