Write the world - Write the World's free monthly competitions for teen writers (ages 13-19) offer opportunities to explore a variety of exciting genres, from poetry, fantasy, and flash fiction to environmental writing and journalism. Young writers of all levels are welcome to join our vibrant community and share their work with peers from around the globe who are eager to read their words.

Write the World – check for specific due dates at links below

<https://writetheworld.org/> (Young writers 13 – 19) Founded in 2012 at Harvard University.

A nonprofit dedicated to developing teenagers' writing and critical thinking skills. We empower young writers to become global citizens and succeed in school, career, and life.

Teens write in various genres, gain recognition from notable guest judges, and win cash prizes.
