

# Coromandel Valley

Let's work together to prepare for disasters

**Sessions start at 7pm and finish at 8.30pm**

**For adults: EmergencyRedi Workshop™**

This FREE interactive session gives you the essentials of emergency preparedness—start your household RediPlan™, understand local risks, and gain the confidence and tools to strengthen your resilience.

**For kids: The Pillowcase Workshop™**

This FREE and fun workshop helps kids aged 6–11 understand the importance of being prepared, build emotional readiness, and learn what to pack in an emergency kit. Each child decorates and takes home their own pillowcase to start their personal emergency kit.

**Friday 18<sup>th</sup> September**

Dear Resident,

Emergencies can strike at anytime, anywhere, and without warning and the impacts can be profound with long lasting psychological and emotional implications. With extreme weather events becoming more frequent and intense, you can protect yourself, the people you love and the things you value the most by being prepared.

14<sup>th</sup> – 20<sup>th</sup> September is EmergencyRedi Week, an annual Australian Red Cross initiative that raises awareness of the importance of emergency preparedness and provides practical tools and resources to help you take action to prepare.

Join us on Friday 18<sup>th</sup> September from 6.00pm to 8.30pm at the Coromandel Valley CFS/SES station at 20 Ackland Hill Rd for an evening focused on helping you and your family prepare for emergencies.

The evening will begin with a free sausage sizzle (including some vegetarian snags) from 6.00pm, cooked by our Coro CFS volunteers. CFS and SES trucks will be on display, and mascots Smokey, Paddy and Ted will all be there for photos. There will also be badge making for the kids, with CFS, SES and Red Cross volunteers available to answer questions and provide information and resources.

From 7:00pm to 8.30pm, the free interactive EmergencyRedi Workshop™ will help you understand local risks, start your household RediPlan™ and give you practical tools to help your household prepare for an emergency.

At the same time, the Pillowcase Workshop™ will run from 7:00pm to 8:00pm for children aged 6 to 11. This fun and free workshop helps children understand the importance of being prepared, build emotional readiness and learn what to pack in an emergency kit. Each child will decorate and take home their own pillowcase to start their personal emergency kit. Following the Pillowcase Workshop, activities will keep the children entertained while you complete the EmergencyRedi Workshop™.

Space is limited for both workshops, so make sure to register early via the QR code or through the contact details provided overleaf.

Please be aware that there won't be parking on site apart from some disability parks allocated in the carpark.

We look forward to seeing you there.

Warm regards,

**Jackie Horton**  
**Project Officer, Red Cross EmergencyRedi**
